Voter Registration in Michigan

- Michigan voters are encouraged to register as early as possible before an election. Methods and requirements for voter registration depend on the following deadlines:
 - If there are 15+ days before an election**, voters can register online, by mail, or in person.
 - Within 14 days of an election, and on Election Day**, voters may only register by visiting their local clerk's office to register in person with proof of residency documentation.
- Voters can check their voter registration status and look up their local clerk information at Michigan.gov/Vote.

Can I still vote if I am not registered?

Voting at a clerk's office on Election Day

- Eligible voters who are not currently registered to vote in Michigan, or who have not updated their registration with a current Michigan address, have until 8 p.m. on Election Day to visit their local clerk's office to register to vote or update their registration address.
- To vote, they may either request an absentee ballot and vote at their clerk's office or go to their polling place to vote if time allows. So long as an eligible, unregistered resident is in line at their clerk's office by 8 p.m., they may register to vote and cast an absentee ballot.

When is the last day I can request an absentee ballot?

- In Person:** Received at your city or township clerk's office by 4 p.m. 1 day before Election Day (if already registered where you live); received by 8 p.m. on Election Day (if a new/updated registrant). If you request your absentee ballot on Election Day, you must vote the ballot in the clerk's office.
- By Mail:** Received by your city or township clerk by 5 p.m. the Friday before the election. There is no guarantee that a voter who submits their application by or close to this deadline will receive a ballot before Election Day. If it is within two weeks of Election Day, voters are strongly encouraged to request an absentee ballot in person.
- Online:** Received by 5 p.m. the Friday before the election. There is no guarantee that a voter who submits their application by or close to this deadline will receive a ballot before Election Day. If it is within two weeks of Election Day, voters are strongly encouraged to request an absentee ballot in person.
